Star Lake	<p>Heather and Jason Beattie</p> <ul style="list-style-type: none"> • Still looking for volunteers! This is a great way to raise funds for your student account. Fun night with other parents and listen to great music while doing it. This was Star Lake's biggest concert season EVER with a whopping 28 concerts. Has been a lot of work for the Beattie's (huge thanks to them!) and all the volunteers. May consider giving up second booth for next year due to lack of participation, so get your RAMP certification and help out while paying for your student's trips! For future shadow(s), if two booths are still running, it's more of a "two-family" job, so potentially looking for two shadows.
Uniforms	<p>Jenay Speer / Jennifer Buckles</p> <ul style="list-style-type: none"> • All 84 kids have been fitted and most have been returned from the seamstress' alterations as of 8/1. Needed around 19 garment bags; those are on their way!

Director's Report

- Last day of band camp - preview show @3:30 on 8/2 before Senior Roast – Chartiers Valley will go first while their stadium is being renovated.
- Cedar Point on 8/3. Asked for \$5 for driver tip. No stopping. Kids are encouraged to sleep on the way and pack something with NO NUTS for breakfast, as the buses are not stopping.
- Asked for \$10 for social fund for the year instead of “as needed.”
- Season shirts- students have provided their desired size.

- Apparel sale coming up. Students asked to create LGM design. Not a huge sale, but will have several different offerings for students, parents and family members.
- What can the student account be used for?
 - Trip, letterman jacket, shoes, misc trips throughout the year (ex: symphony), chaperone's trips or symphony, instrument accessories (reeds, mouthpieces, case)
 - Can NOT be used for new instruments, rentals or apparel
- Uniforms are replaced roughly every 10 years. Current uniforms are due to be replaced in the Fall of '26. (That timeframe is not written in stone!)
- Any volunteers to help get old music sorted? No musical knowledge required, just a love of organizing! Needs done ASAP!
- Reminder that mandatory means MANDATORY! Be ON TIME for call time. But "ON TIME" really means EARLY! If you encounter traffic and will end up being late, the student MUST message Eryn via the remind app. It is the student's responsibility to convey the message if they're going to be late or have a conflict, NOT the parents.
